

# HDD desktop Toshiba P300 SMR (3.5" 2TB, 5400RPM, 128MB, NCQ, AF, SATAIII), bulk ( HDWD220UZSVA )

Šifra:  
Kategorija proizvoda: HDD  
Proizvođač: Ostali brendovi

Cena: **13.564,00** rsd.

|                                            |                                                                                                 |
|--------------------------------------------|-------------------------------------------------------------------------------------------------|
| Device Location:                           | Internal                                                                                        |
| Form Factor:                               | 3.5"                                                                                            |
| Storage Capacity:                          | 2 TB                                                                                            |
| Supports Data Channel:                     | SATA III-600                                                                                    |
| Installed Cache Memory Storage Capacity:   | 128 MB                                                                                          |
| Rotational Speed:                          | 5400 rpm                                                                                        |
| Average Seek Time:                         | 4.17 ms                                                                                         |
| External Data Bit Rate:                    | 6 Gbps                                                                                          |
| Non-Recoverable Errors:                    | 1 per 10 <sup>14</sup>                                                                          |
| Mean Time Between Failures:                | 600000 hr                                                                                       |
| Hard Drive Features:                       | Native Command Queuing (NCQ)<br>Multi-Axis Shock Sensor<br>Advanced Format (AF)<br>Halogen Free |
| Shock Tolerance Operating:                 | 70G @ 2ms                                                                                       |
| Shock Tolerance Storage:                   | 300G @ 2ms                                                                                      |
| Vibration Tolerance Operating:             | 0.5G @ 5-350Hz                                                                                  |
| Vibration Tolerance Storage:               | 3G @ 5-500Hz                                                                                    |
| SATA Interface Quantity:                   | 1                                                                                               |
| Platform Compability:                      | PC                                                                                              |
| Nominal Supply Voltage:                    | 5 V                                                                                             |
| Maximum Supply Voltage:                    | 12 V                                                                                            |
| Maximum Power Consumption:                 | 5.8 W                                                                                           |
| Minimum Power Consumption:                 | 4.4 W                                                                                           |
| Maximum Operating Ambient Temperature:     | 65 °C                                                                                           |
| Minimum Operating Ambient Temperature:     | 0 °C                                                                                            |
| Maximum Non-Operating Ambient Temperature: | 70 °C                                                                                           |
| Minimum Non-Operating                      |                                                                                                 |

|                               |          |
|-------------------------------|----------|
| Ambient Temperature:          | -40 °C   |
| Depth (mm):                   | 147 mm   |
| Height (mm):                  | 26.1 mm  |
| Width (mm):                   | 101.6 mm |
